Looking up the Canada Emergency Wage Subsidy, under the search of "Credit Union", results in a total of 81 hits. That doesn't include institutions that operate without that in their name. All these companies have taken money from Ottawa in pandemic subsidies.

3. List Of Banks Getting CEWS

A search of CEWS for "bank" (see new link) results in 245 hits, most of which are irrelevant. While the big 5 are not listed, several smaller ones are, including the Bank of China. Very interesting to see where your tax dollars have been going.

Unfortunately, the amounts given out are not listed. It would have been helpful to include the actual dollar figures.
